

ROLES IN TRANSITIONS

For use with Navigating Loss, Loneliness, and Aging: Reconnecting to Sources of Strength Series

Write down the different roles you play in your center, and then list how those role/duties influence in the transition of older adults.

Role/Duty	Expectations for that role	Expectations others have for you in that role	Responsibility in a transition	Notes

Role/Duty	Expectations for that role	Expectations others have for you in that role	Responsibility in a transition	Notes
