

# EMERGENCY PREPAREDNESS AND SAFETY

## A THREE-PART WEBINAR SERIES

Presented by VCU, Department of Gerontology and Virginia Department of Social Services

### WHAT

A program designed for professional caregivers working in Adult Day Care settings consisting of three webinars with recordings, slide decks and handouts available for review online.

The purpose of this new series is to assist staff in pre-planning for an emergency, identifying an emergency situation, developing a plan of action to deal with emergency situations while providing a safe and secure environment for the participants and developing a coping strategy for participants and their family members.

### OBJECTIVES

At the end of this training, participants will learn more about:

- Emergency Preparedness
- Developing/reviewing an Emergency Preparedness Plan
- Developing an awareness of challenges posed by different emergency situations
- Presenting potential measures to meet these challenges
- Reviewing physical & mental challenges posed by ADCC Participants
- Practicing developing emergency plans to meet ADCC Standards while incorporating Person Centered Care.
