

Handout 4: An Ethical Response to Your Reflection (from Handout 2)

Look back at your journal entry from handout 3. Consider a way to provide an ethical, person-centered response to that situation.

A. My proposed response would be to:

--

B. Does this response:

a. ...promote the resident's / participant's quality of life? How?	
b. ...meet the individual's needs? Does it create other care needs?	
c. ...respect the principles of <i>beneficence</i> and <i>non-maleficence</i>?	

C. What are barriers to your proposed response? How could you get around those barriers?
