

Handout 1: Behaviors as communication: Are we listening?

Please use the space below to reflect on a time (or times) that you have observed people using behavior to communicate.

<p>1. In what ways have you seen individuals using behavior to communicate?</p>	
<p>2. Why were they using behaviors instead of verbal communication?</p>	
<p>3. What types of behaviors?</p>	
<p>4. What might the person have been trying to communicate?</p>
